Educational Dialogue and Student Exchange

Development and Implementation of a Joint University Module about Conflict Intervention

Palestinian-German Educational Dialogue and Student Exchange

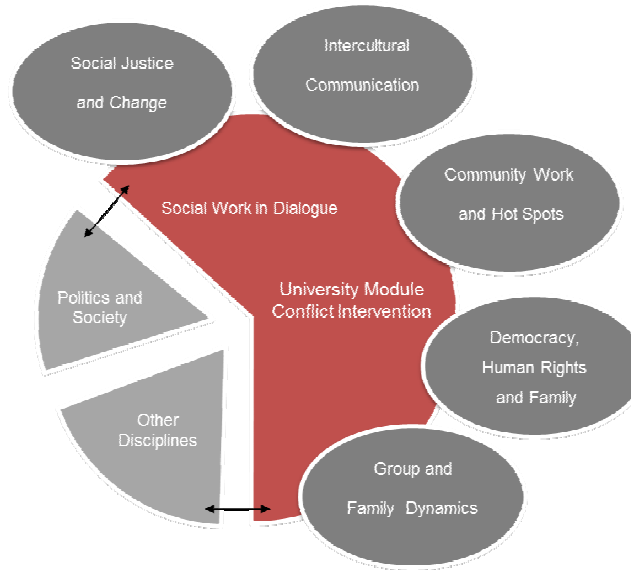

The Partner Institutions

The Project columns

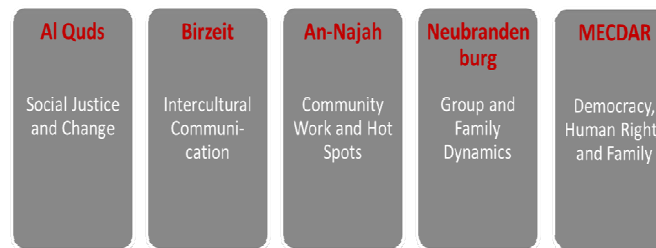

- Dialogue and cooperation between Palestinian and German universities, network among the partners
- Student exchange as a contribution to advance the student competences in the partner countries
- Development of a joint curriculum and study materials about conflict intervention, useful also for the civil society

Social Work and Civil Society

Social work is our main facilitator, in the context with other disciplines.

Structure of modules

There are central and decentralized partner responsibilities for the module development.
